A request for proposal is a project funding announcement posted by an organization for which companies place bids. The RFP outlines the bidding process and contract terms and guides how the bid ...

Request for Proposal (RFP) Definition

A request for proposal (RFP) is a document that an organization, often a government agency or large enterprise, posts to elicit a response -- a formal bid -- from potential vendors for a desired IT solution. The RFP specifies what the customer is looking for and describes each evaluation criterion on which a vendor's proposal will be assessed.
